INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

That I am 79 years of age. I claim my Indian descent through my father; my mother was white. My father's father claimed to be Indian. His name was Abraham Hembree. My father was born and raised in N. C., Burk Co. He left Burk Co. but I don't know when. I was born in Rutherford Co., N. C. I don't know where my grandfather was born and raised. I never lived with the Indians. I lived in Hamilton,Co., Tenn. among the Indians when I was little girl, and my grandfather lived there too among the Indians. My father had nothing to do with the Indians - with their tribal matters. He was enrolled in 1851 and 1835. My grandfather was enrolled ~~xxkhxxx thxxxxxxx~~ in 1835 but he was dead in 1851. My father was enrolled under the name of Hembree. My father enrolled all of his children in 1851 in Murray Co., Ga. or Hamilton Co., Tenn. They went by the name of Emrey only when they signed their names for I know it was Hembree. The name might have been Emory. In 1851 I was married to a man named ~~xxxxx~~ Clonts. I never received anything from the government and my father did not either. My brother Jack Hembree received land in Ind. Ter. in recent years, since the war. My father did not have any Indian name that I ever heard of. All of my grandparents were white except my grandfather. My husband was white. I am recognized as white woman with Indian blood. Don't know how much Indian my father was. He showed a good deal of the Indian. My father died in 1882. I was living in Gilmer Co., Ga. in the eighties. I came here and enrolled my children at that time. I enrolled then before A. M. Johnson. That was to get so much money and so much land. We were to get land in the west. Never received any money yet nor land neither. Outside of Charlie Hester, a neighbor, I never heard of a man by the name of Hester. I am acquainted with Effie V. Chapman (15037). Her grandfather was my first cousin, that is, on her mother's side. Her ~~xxxx~~ great grandfather, Reuben Hembree, his mother was my aunt, she being a sister of my father. She claims her Indian descent through the same source as I do one more or other source.

In the matter of the claim of Jesse M Griffith et al for participation in fund appropriated by Congress June 30, 1906, to Eastern and Emigrant Cherokee Indians and their descendants.

On this 2nd day of August . . 1906, personally appeared before me, Orville T. Forman, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Michael . Fender, aged 77 years, a resident of Polk County, Missouri, whose post office address is Brighton, Polk County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with Alexander Brown in his life time. He was my Grandfather. He came from McMinn County, Tennessee, where he lived when I first knew him. He lived about four or five miles from my father's residence in Tennessee. I can remember his being at my father's house a number of times. His family and my father's family were intimately acquainted, and when he left Tennessee and came to Missouri, there were about six families came together including my father's family and Alexander Brown's-. Said families were all related to each other. He left Tennessee in the fall of 1835, came to a place in Illinois fifteen or eighteen miles east of St. Louis and stopped there over the winter, and in the spring came on to what is now known as Brighton, Polk County, Missouri, arriving there May 1st, 1836. I was with them during the whole journey to Missouri from Tennessee. I have often heard my mother, who is a daughter of said Alexander Brown, and my Uncles and Aunts say that said Alexander Brown was a half blood Cherokee Indian. Also, I have heard them say many times that said Alexander Brown was enrolled as a Cherokee Indian on the roll of 1835. He was a tall man, dark complexion with black hair and eyes. He has always been talked about and known as a half blood Cherokee. He died in 1838. I was at his funeral-the first person I ever saw buried. He was burried at Brock Grave Yard near Brighton Polk County, Missouri.

Said Alexander Brown had the following named children,viz. Sarah Brown, generally called "Sally", who married Elijah Hambelton, Annis Brown, who married Robert Pace, Micle Brown, who married Daniel Fender, Violet Brown, who married Eleven Luth, Susan Brown, who married Mosas Proctor, Elizabeth Brown, who married Hugh Luth, Thomas Brown, Isom Brown, Zachariah Brown and John Brown.

I am interested in the prosecution of this case as I am one of the claimants. Said Dicie Brown Fender was the mother of Cassa Fender who was the father of Elizabeth Fender who is the mother of Jesse M Fender who married Perry Phillips on the 24 year of Feb. Lettra Odelle Griffith age 7 years, Willa Vern Griffith aged 6 years Lillian Griffith aged 4 years and Wanneta Griffith aged 6 months are the children of said Jesse M Griffith who resides near Brighton Polk County Missouri. I personally know all above named parties.

In the matter of the clai of Jessie M Griffith et al for participation in fund appropriated by Congress June 30, 1906, for Eastern and Emigrant Cherokee Indians and their descendants.

On this 31st day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, and who, being by me duly sworn on his oath, declared and saith in relati n to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. Alexander Brown when I first knew him lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children visited back and forth and played together, and the two families were intimately acquainted with each other. I have a very clear and destinct recollection of hearing the said Alexander Brown say that he was registered or had his name on the roll of Cherokee Indians, prior to his leaving Tennessee, and I have heard him say this both before he left Tennessee and after he came to Missouri. I came to Missouri soon after Alexander Brown left Tennessee, and I saw him and was intimately acquainted with him both in Missouri and in Tennessee. Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said his children were generally known and recognized and reputed as part Cherokee Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Indian blood. Said Alexander Brown's remains were burried at the Brock Grave Yard near Brigaton, Polk County, Missouri. It was the general talk among the children and neighbors of Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Wanoa" When he left Tennessee and came West he was accompanied by a number of families.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown was the father of the following named children: Thomas Brown, Isom Brown, John Brown, Zach Brown, Sarah (Brown) Embelton, who was also called "Sally," Nicie (Brown) Bender, Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth. Said Nicie (Brown) Bender was the mother of Lisa M Bender, who was the father of Elizabeth Bender who is the mother of Jessie M Bender who married Jerry P Griffith and is 27 years old. I know Betsey Walkingstick and Walter Youngwolf. They are distantly related to me. Were enrolled by Dawes Commission, but have not certificates with them. They both got the strip payment. They get their Indian blood from both parents. Their mother's name is Susie Young Wolf. She is about 48. She was told that I drew money in 1851 and there is probably a mistake about her age. She went by the name of Sims. She was enrolled and drew money when very small. She lived in Flint District. Watt Sanders was her father; or Walter Sanders. Susie Young Wolf's mother's name Betsey. Watt had a brother named Sam, Jess and Jim Sanders. Jess lived in Tahlequah District. (32 Tah.) Jim also lived in Tahlequah. (21 Tahl.) Jim Sanders had a son named William. Samuel lived in Going Snake District. His wife's name was Chee-ka-yoo-a. (331 G. S.) There was another brother named Nick or Nicholas. He also lived in Tahlequah. (19 Tahl.) He had also a brother Tom, John, Dave, Ike ; sisters Tu-key and Katy, Polly and Martha. There was a brother William also. (165 G. S.)

Josiah Wolf was the father of these children. Jess Wolf was his English name. Josiah the Cherokee name. He was probably on the 1851 Roll. His father's name was Young Wolf. He lived in Going Snake District. He had a son by the name Dave or David. Also a son Arch; he was not old enough to be enrolled. David lived in Going Snake District. Ten-a-ta-sqa-kee was a half-brother to Jess Wolf. (688 G. S.)

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through _____

_____

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

GUION MILLER,

Special Commissioner.

App. No.2694.

Eli Harlan,

Christie,

Oklahoma.

Madam:

Replying to your letter of December 23, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

The exceptions filed to my report will be taken up for final disposition by the Court on January 10, 1910, and until the roll is finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be ascertained until the final roll has been approved and the exact number enrolled determined. However, it will probably not amount to over $130.

Casa May Henson is enrolled with her father and mother, Sixkiller and Nancy Henson.

Very respectfully,

Special Commissioner.

My name is Nancy J. Douglass. My age is 45 years. I live in Coo-wee-scoo-wee District. We moved from Going Snake District. I was enrolled by the Dawes Commission, Cherokee Roll #25034. I did ~~not~~ get the strip money. I drew my half-brother's but I did not make application myself. He was dead. I get my blood from my father, and none from my mother. My half-brother had the same father. My father was Levi Robbins and he lived in Going Snake. He has been dead about 4 years. He was not enrolled by the Dawes Commission that I know of. I do not know whether he applied for the bread and strip money. He was about 50 years old when he died. I think he was living in 1851. He was enrolled on the old roll; I think it was 1851. He got his blood from his father. It was Cherokee. I don't know his father's name. I have heard his name but have forgotten it. I think his name was John Robbins. I have brothers and sisters: Wade is the only one living. Ben and Henry Robbins, and a sister Sarah Robbins. My half-brother was Josh Robbins. I don't remember my father's brothers and sisters. My people never drew any Old Settler money that I know of. They claimed my father was on the Old Settler Roll. I don't remember who told me. I don't know just when my ancestrs left the East and came West. I was born in this District. I had a half-brother Jim, and a half-sister .

App. No. 2699. Interpreter used. Misc.

Nancy Gritts, being duly sworn, deposes and says:

My name is Nancy Gritts. My age is 66 years. I was born and raised in Going Snake District. Bud Gritts was my brother. My father was just called Gritts. I had a sister by the name of Aguosi or A-guo-si. She was the oldest. I had a half-brother Wilson. Gritts had no brothers. They lived in Going Snake but were born in the old country. My father's name in Cherokee was Na-wat. Ah-ke-lah-he was my mother. My mother had a sister by the name of Wut-ty. She livedin Going Snake District. It is sometimes spelled Wut-tie. It is Wat-tie also. She had a son named Wilson. They came out here with the Emigrents in 1835. I don't know of her living in any District but Going Snake. My father's father I think was called Nah-too-wee, or Nun-tah-wee. I think he was called Co-wega and he was half Creek, or some other than Cherokee. He was part Cherokee and part Creek and they called him Co-wee-ta or Co-we-ga. My parents got a payment at Fort Gibson in 1851; I got the Emigrant payemnt. I don't know ho I was enrolled at that time as my mother enrolled me and got the payment. It seems as though I was enrolled as Jenny in the strip payment. I was enrolled as Nancy Gritts in the Dawes Commission enrollment; Cherokee Roll No. 1659. I think my mother's mother's name was Ca-yu-hu-ga, or Ca-yu-ga. My mother's father was Da-lah-sha, or De-la-she. I don't know whether they ever associated with any other tribe of Indians. An-nie-kee or Anicee (An-na-ca' is my sister. Cah-nuh-ne-lo-ske was my nephew, and was enrolled in 1851. (428 G. S.) He is dead but his son, Ned and Levi Gritts, and Susie Gritts and Annie Rogner have filed applications.

Jesse Gettingdown,

Stilwell,

Oklahoma.

Sir:

Replying to your letter of July 31, 1909, you are advised that Simon Holmes is enrolled as No.14514, but your wife and minor child were not enrolled with you or the reason that your wife did not file an application and you did not name your minor child in your application.

The application you filed for yourself is not sufficient for your wife's claim, as each adult was required to file a separate application.

If your minor child was born after May 28, 1906, it would not be entitled to share in this fund.

The matter is now out of my hands, but if you wish to take any action in the matter you will have to file exceptions to my report to the Court of Claims before August 30, 1909. The inclosed circular will furnish you with the information necessary to file exceptions.

Very respectfully,

Special Commissioner.

Madam:-

Your letter of May 18, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be distributed, is at hand.

In reply you are advised that the applications have not been taken up for final consideration, as the Court of Claims in the order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 23,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of [illegible] cases adjudicated.
